Please accept my warm wishes for the Grower Champagne Festival 2019. Throughout this month wine bars and restaurants across BC will partner with Grower Champagne to host exciting culinary pairings and events that showcase some fine wines.

Behind every bottle is a family and a face. We'll get an inside look at the stories behind these champagnes and I look forward to learning more about these French growers and experience them with BC food from our great local restaurants.

I commend the efforts of the Grower Champagne Month team to showcase these champagnes and partner with local restaurants to create the ultimate culinary experience of French Champagne and BC cuisine.

Wishing you a "bubbly" time!

Sincerely,

Honourable Hedy Fry, P.C.

Member of Parliament for Vancouver Centre
